Wistars Dr Meads &c at Mem.l Coffee -
& leave taking into dear School &c -
Nat Lam came letter for 3 days
repentant - Sam not very well - &
retiring life spirits. But I do venture
reverently & believe that the Lord will
in the way forme from duty, & duty
upon place to place. Blessed be his
Holy name for ever more!

3d day 4 mo 30. 1839

Very tired & languid this evening -
considerably drawn on my backs & yet
I have nothing but mercies to record.
The week since the last entry has been
a little while, a happy happy one.
Retired at Frankfell 3 days - 3d 4th
5th Visit at Saml Sansom's - dear E.P.K.
here pleasantly - scarlet fever - all
taken afterwards by parents - pleasant
rides. Good meeting on 5th day - &
very comforting visit in the afternoon with
Jno. H. Evans. Thereby an act
of somewhat extra pecuniary liberality (so
called) has reminded me some misgiving

but Hope this all right & by the Lord. Grace,
may his name be praised - All that I have
is surely at the Master's service! Returned
to Phila on 6th day - several interesting
farewell calls - & a social circle & interviews in the evening. Silent beseeching
fervently with Rodmans. This Week again
ended in peace - 7th day to Stony brook -
David & J. A Clark's. Comfortable quiet
visit here but not strong. Good Sabbath -
public meetings morng & after - "The law
is our school master to bring us to Christ."
Tuesday by rail road to New York -
Very interesting visit to Saml Parsons &
his sons at James's - a pleasant time of
sympathy & prayer. Night greatly disturbed.
Came better Thursday early start in steam boat
in fourth, retarded by fog - & we have
been favoured with an excellent Select Yearly
Meeting - travelling to repay! Rd H Mott's
conversations very interesting -
but my weakness - my bonnets are great!
4th day morng After a sound nap - & a
when a chapter in Scott had been read in the
family circle, a living spring of ministry
suddenly arose towards Rd & A Mott, es-
-pecially the latter - & we hoped a pleasant
evening. I feel refreshed by my night's sleep
& the vegetation after the rain, is beautiful.
