

April
A fine clear morning and mild day, Wind N. went to Town & attended Criminal Court, returned Home to Dinner, nothing particular occurred, planted 4 rows of early corn in Hills on North side of Fromentin's Garden, left 4 rows of Hills which I purpose planting with Corn steep'd 3 days in urine - have also done the same in Lot ad-joining my own Garden, having this day planted one row of Hills next the Pailing of a different kind of Corn, I have put some to steep of same kind which I purpose planting three days hence in another row joining them -
Notice which is earliest Corn
