

10th April. A very warm & clear Day,
went to Town & returned to Dinner,
White & Mercer repairing roof of
House where it leaks, Sam^r Chase
& Mr Malhaven rode out in the
afternoon & drank Tea with us,
a warm sultry evening.

11th April. A very warm day Wind S.W.,
no rain yet, it is very much wan-
ted, the Ground being extremely
dry, Flies are eating up all our
Cabbage Plants & early Town ve-
getables, except Peas & Corn both
which look very fine, particular-
ly the former, being in full bloom,
went to Town, nothing particular
occurred, returned Home to Dinner,
evening warm & Foggy.

12th April. A cloudy morning, Wind
South, a Shower of Rain at 12 O'clock
with an appearance of more, rode
to Town, Dined at Mr Ettings &
went to see a Ship Launch'd from
Prices Yard belonging to Last Bayas,
which went off very handsomely.

A sultry evening, Packed Hams
& Shoulders in Pork Barrells with Cut
Straw on a tryal if they will keep.

21. Sunday, A cloudy warm morning, Wind
Changeable with a great appearance of
rain, but none fell, Mr Bowly Mr.
Harris, Mr & Mrs Wigram & Rebecca B.
dined with us, Cap^t Sanger & Rowland
Vanwyck rode out in the afternoon,
all returned Home at Sunsett -
Mr Malhaven also Dined with us -
A cloudy evening.
