ter Anderson; Jameson & Cowan leaded vocal & Robertson Baptist minister. Somewhat felt of that unity which is beyond all questions of form & administration.

Third day 3rd mo.

6th day. Conversations with Capt Stuart; Ch. N. Palmer Th Bernard, Phillips, Lyon &c. 7th Excursion with Phillips to Mercy book.

First day, two crowded meetings Baptist meeting th. morning. Meth. Ev. I went to meeting under much personal discouragement. but we were favoured with good to meetings both morning & eve. Both crowded & promiscuous. "Love", the subject in the morn. In the eve, the fundamental doct. of Christ by his Spirit. I believe there was something of an appearing. Yesterday (2d) excursion with Mahlon to A Brown's Bushy Park th. meeting with labourers at Kelly's & Bushy Park. I believe, it was a good useful day. though not without little discomfort. This morning precious farewell time at Phillipps & visit to his schools.

We are now going forward to "St." Ann's Dalmatia Lev. I feel well, & pretty quiet spirit. not without some feeling of exercise.

Th. T. Abbott's "St." Ann's Bay Jamaica

I am writing from a beautiful spot. a fine view of the bay & little town. the humming birds flitting about. the body rested by a good night. the mind easy.

On third day we reached Sorrato. a fine drive through "St." Thomas in the Vale. passed by the notorious Rodney Hall workhouse which it was no longer necessary to visit. we arrived in time for meeting at the Baptist meeting. Jos. Merrick's. most kindly taken in & entertained. Many hundreds of the quadroon slaves came to meeting in the Ev. It was a good lively time. We had a precious time of ministry dr with the Merricks & Phillippes (who accompanied us so far) the yesterday morn but were too late in our start for this place. We found the journey difficult & could not get over the ground with any speed. especially in passing over Mount Diabolo. The ~~scen~~ rude wooded scenery on the heights. & that of the descent to Maccapo highly beautiful. It has left a pleasant picture on my mind. It was with extreme difficulty that I with Maria Candler in the first carriage, reached the Baptist Chapel before part of the people were dispersing. We were enabled to rally them. & were favoured with a good blessed meeting. The message of the Lord was I think delivered in some measure of life & power. "If I wash thee not, thou hast no part in me" Nothing could equal the loving attention of the people.
