1st May – The same singular Weather continues, very warm & very dry & sultry, the Speck in the Sun just the same –
Went to Town, dind at P. Wigmans –
Miss Susan Hughes came out to Tea with Mrs P. Wigman & J. Bowly & staid all night, the following ladies also came to Tea, Miss Sturett & Randle, Eliza & S. Peters, Mrs Stewart & Mrs Bowly –
2 – Weather more cool, Wind North –
Went to Town, dind no where –
3 – Fine day but very dry – Wind So –
Went to Town, had no Dinner –
In the evening met Mrs T – and a party of ladies on board the Ships Emily & Balize, all very Pleasant –
4 – Dry warm day – Wind South –
Went to Town, dind off a Cracker –
Mrs T – unwell with Bilious Cholic –
5 – Sunday – Warm Sulty day – Wind So –
Mrs T – a little better, remaind at Home –

Mr Child & Mr Talcott dind with us –
Thunder Gust & light Rain after Sunsett –
6 – Mrs T – very bad this morning with bilious cholic, sent early for the Doctor & she was much easier during the day –
Went to Town, got all the Passengers on board the Ship Emily for London, and Balize for New Orleans, but the Wind came round to South & they did not Sail.
Returnd home to Dinner –
7 – Weather continues cold & dry, Vegetation suffering very much for want of Rain, the country extreamly dry –
Went to Town, Eat no dinner –
The Wind came out very fresh at N. W – about ten O'Clock, when the Emily & Balize both Saild –
The Doctors have given Mrs T – so much Calomel, her Mouth is sore with every appearance of Salivation, the Bilious attack is removd –
