1816
May 21 - Warm Sultry day, Wind So -
Sett off at 5 O'Clock with Mr Davis
to meet the other Commissioners Examine
a Route for the Turnpike to Belle Air,
where we arrived at 12 O'Clock, dined
there, where I left the commissioners
& returned home in the evening -
22 Sultry day, with a light Shower
in the evening, went to Town and
dined at Capt. Craigs -
Planting Potatoes yesterday & to day
in Lot next the Stable -
23 - Very warm morning Wind South, but
changed at 3 O'Clock to N. E with Rain
and became quite cool -
Went to Town, eat a cracker for dinner -
Had Fires in the evening -
24 - Cold day with Rain, Wind N. E -
It was so warm yesterday morng, I left
off my Flannel waistcoat &c, and to day
so cold, have Fires -
Went to Town, dined at P. Wigmans -

25 Rain all last night, wind continues
N. E - and very cold -
Went to Town & dined at Mr Konigs -
Continued raining all day -
26 - Sunday - Cloudy morning - Wind S. E -
Miss F. Bowly went to Town, having been
with us a Fortnight -
Mrs T's mouth much better, but very
far from being well -
Remained at home all day, no company -
The fine Rains we have just had, make
the country look beautifully Green -
27 - Clear cold morning Wind N. W -
Went to Town & dined at Capt. Craigs
28 - Cold clear day - Wind North & S. E -
Went to Town & dined no where -
29 - Cold weather continues - Wind No -
Went to Town & had no dinner -
Twelve months ago we had Peas and
Strawberries, but are at least ten days
later this Year in Vegetation -
