Went to Town, returned to Dinner Sup the Road, as usual –
20 – Hot day & Cloudy, a Thunder Storm & Rain at 4 O'Clock P. M. –
Went to Town, returned to Dinner –
21 – A fine day – Ther.r 94 – Wind West
Went to Town Sup the Road as usual commenced a Bridge at Herring Run –

22 – Fine clear warm day, went to Town and up the road to see the workmen –
23 – Fine pleasant day, went to Town & at 12 O'Clock accompanied Mr Oliver and several Gentlemen in Capt. Fergusons Steam Boat to Port Deposit on the Susquehannah, where we arrived at 8 O'Clock.
24 Sunday – At 12 O'Clock last night we had a Storm of Wind & Rain from the North, and this morning is so very cold, a Surtout is necessary, after breakfasting on board the Steam Boat, we all left her and went up the Canal in a Boat towd by two Horses as high as Conowingo, viewd the Bridge building there, and returned in the evening to the Steam Boat where we slept –
25 Left the Steam Boat at 7 O'Clock A. M. in a Schooner & came into the Bay where we met the Steam Boat Eagle, got on board & arrived in Balt.e at ½ past two O'Clock – Very cool day –
