19 The following report of the Committee on Indian Affairs was read and the Committee was continued. Our Treasurer was directed to pay to the Treasurer of the Associated Executive Committee the sum of $100.

To the Yearly Meeting

The Indian Committee report: that during the past year they have cooperated with the Friends of other Yearly Meetings in the work through the "Associated Executive Committee of Friends on Indian affairs". To the information given in the annual report of the latter Committee - which is herewith submitted - we would add that the Mission at Shawnee town Indian territory has been strengthened. Friends of New York have sent Franklin Elliott $300 to repair his house and needful funds for the education of his children. A Meeting House was imperatively needed there and a part of the $800 required, has been subscribed, and it is expected that soon the building will be in process of construction.
