To Friends Meeting
Newport

Dear Bro:

While did we sufficiently
we organized our Association to relieve the destitution
of our members in Ireland, whether in the line of themselves,
that our work would be comprehensive or be
confined to doing, therefore in addition to us it
enlarged. Prefer deferred from publishing a detailed
Report until nearer the close of our labors, as a
knowledge of the general of funds on hand it by no
means desirable in the Carolina, and urged
friends there have particularly suggested that we should
not give much publicity to our charities - those who have
[illegible] those are naturally

This book has very poor writing and it is impossible to READ some pages.
