Dear friends

We enclose check for $200 to pay under which Bloom applies for us in such manner as then may think best in relieving such of the members of your Mo Mg as may require aid now that the winter has set in. We have thought particularly of the bro in Lani large family of children — use they in discretion in a quiet way — no publicity is given to it here though our Ex Com requires of us a statement of all such expenditures — Please will therefore please send us an account of how they may dispose of it. I send by mail an receipt

Affy Thy friend
