Baltimore 7. 6. 1860

Dear Geo

I think matters will turn right for us. We have wanted time to see the Normal through, & start the schools, spending a few weeks with the Comm. Supt. They saying that there must be some religious service set to perform and a desire to attend Mo Ca & Balto Yearly Mgs is a relief to us - it is what we want. I will take the meet alone - then can meet during the winter there for exercise of mind in lecturing upon Mo Ca

We have written Allen Jay in combining the most important part we need now. We have offered him the Mitchell house - to attend

there meeting now at the Normal & remove to N C in time for N.C. Yearly Mtg - as soon as I know I will write there. I think from his last letter he will go. We will fix up the Mitchell property.

I expect to leave here on 5th day the 16th so as to be at Pennington 6th day morning to attend Quarly Meeting & be at the Mtg for Sufferings. I have requested Wm Hartshorn to convene to hear & pass upon the case of suffering for conscience sake - we have I think a nice peace treaty of good sign - 45 min reading. After Quarterly Mtg I will attend the Normal for several days - bringing I hope Thomas Allen Jay with me to the Colored meeting.

We could little then to finish up they work in a thoroughly satisfactory manner to myself not go West with a religious
