[illegible] to the [illegible] Rum & Sherbetts. [illegible] I spent a day lately, & this sustained by the letter of [illegible] a valuable friend on the change of it. I saw the [illegible] & defect. I made up my mind while there I would have the & spend a day with this friend on his farm — it will be worth much to me & they work — he is a remarkable man — he has 50 kinds of wheat up — as many kinds of oats &c — all kinds of manures tried — every thing we are interested in. I will be back 7th day & will remain at home for three. It is best that we should see the machinery & go to the home mills here. We can return in less time & save the big trips at the same time. Please [illegible]

I would like the Co. have 1st day night the 22d, get here 2d day night via Rutland early 3d day morning via Portsmouth spend 3d day looking after the Blue Mill machinery
