He will however do most cheerfully all I agreed to — if you think best, under the administration of these friends — I dread any appearance of conflict or division of authority.

You are not certain about the complete going on Teachers so have time to avoid error. I think you had better write to Allen about the teachers — I have fully entitled him in your interest — if you need his advice or assistance.

Please state what schools need teachers — the salary you will pay & such other information as you think will help him in his selection.

He may have to send to Fred^k — there is the cost of travelling — we pay one or two & we insist upon the patrons, if they board the teachers in all cases.

Canalise Allen's address. I shall go to N. C. this month or next.

You cannot realize how I rejoice at the interest you are taking in this work — for I love it with all my heart. It is so far off & I have so much of it in N. C.

What I cannot do Fern justice — it can be made & I trust will be, even more extensive in area & richer in results than you now hope for.

May the divine blessing keep with you & be wisdom & prudence & [illegible]
