I also send a bottle of the Cough mixture for thy wife – & the Bank books for the three children. They gave me $10.20. $8.93 & $2.96. I made even sums of them $12 – $10 – $4 – to encourage the little folks. The Dry Goods & Shoes are at cost. Would it not be well to make up the clothes & sell at cost & then buy more – We do so here.

Truly thy friend
