Dear friend

Thine of 27th ult. came while I was away from home & being sent after one, did not come into my hands till yesterday, some time after I got home. I now enclose check for $200. towards your meeting house as promised. As this is as large a sum as our Committee has ever appropriated to one house, I doubt if it will be increased, but will mention it at our next meeting.

Please acknowledge receipt

thy friend
