To Baltimore Yearly Meeting of Friends:

Dear Friends.—

The Trustees of the Miles White Beneficial Society, in conformity with its Act of Incorporation, submit the following statement of its operations for the past year.

In thus doing we are called upon to announce the great loss we have sustained in the death of our late co-Trustee Francis White, who ever since the organization of the Board had faithfully and acceptably served as President, and we desire to acknowledge the deep interest he manifested in all the various objects for which this Society was founded. He was devoted and conscientious in the discharge of every duty as a Trustee, and his excellent practical judgment was most valuable to us in deciding on our action.

Richard J. White of Baltimore has been elected to fill the vacancy thus caused in the Board.

Since the last report there has been no change made in the investments of the Society.
