"A meeting of all those interested in Home Mission work was called & the different sub-committees appointed, but none of them have made any report as yet. We think it advisable to start the cottage Meetings some time this present month. The visiting has been going on to some extent. The Tract Committee is also at work. If the various committees can enlist the cooperation of the members of this Meeting

there will be something done, & all will be blessed.

J. H. Musgrave. Chairman"
