

15th June - A fine clear day, and the first
we have had for a long time, Wind N.
Went to Town, returned to Dinner &
brought out Miss Meroney -

Busy curing clover, which, I find
very little injured by the late Rains,
having been left in the swath -

Rode over to the Meadows having 6 Men
mowing clover -

16th Fine day, went to Town & returned
with Miss Bowly to Dinner -

Made a Stack of clover to day -

17th Took all hands to the Meadows
with a view to make a Stack of clover,
but a gust of Thunder & Rain began
at 9 O'clock & continued until 12, when
it cleared up with wind at N. W. -

Dined at Fuley -

Miss Bowly walked to Town with W. Lax

18th Very beautiful day, indeed the most
so of any we have had this Summer, with
an appearance of its continuance -

Took all hands to the Meadows, made
a Stack of fine clover, from thence to
Town, came home to dinner & again
over to the Meadows, had ten hands
at work & did well -

Mrs T. walked to Mr. S. Steretts in
the forenoon & to Mr. Peters in the Ev. g.

19th Sunday - Very fine day - Wind N.
Went to Church & returned to dinner
with Mr. S. Sterett & Mr. Moore, who
staid also to Tea, no other company -

20th Fine day took all hands to the mea-
dows & finished stacking clover -

Mrs T. & Miss Meroney went to visit Mrs
So. Sterett & we all dined at Fuley -
