

2 1 1 W. L. P. 1 1 1
10 July - We had a tremendous Thunder
Storm last Night, & excessive heavy Rain
for two hours, & Showers occasionally to day,
with great Heat -

Went to Town, dined with Geo. W. Hawkes
at Barney's - cloudy evening -

11th Cloudy Sultry day with more Thunder
and Rain in the evening - Wind S. -

Went to Town returned to Dinner -
Busy hoeing Corn & Potatoes, making Beds
& planting Celery - - Harris better -

12 - Cloudy & sultry with Thunder all the
afternoon, but little Rain -

Went to Town returned to Dinner, we
have just now the most unfavorable
Harvest weather I ever remember, having
rained the last six days -

13 - Very heavy Rain last Night, cloudy and
Hot to day but no Rain, Wind South -

Went to Town returned to Dinner, and
afterwards went to Mr. Tonges School, to witness
an exhibition of his Scholars -
Mrs Bowly & Children drank Tea with us -

14 - Clear, Hot day, went to Town,
returned to Dinner, hauled up Mr.
Nichols Rye & made 3 Stacks of it,
a hard days work for two carts -

15 - Very Hot day - went to Town, dined
with Mr Hawkes at Barney's -

Had two Stacks of excellent Hay made
in Shangles Lot & Old Meadow -

16 - Sunday - Weather clear & very Hot -
Went to Church, Mr Hawkes & Mr Nesbit
rode out to see Mrs T. and afterwards
I accompanied them to Dinner at Mr
Tomnants, had a very pleasant day -

Mrs T. & Harris both better -

17 - Very fine day, went to Town and
returned to dinner, busy Mowing and
making Hay - Mrs Wigman & F. Bowly
came to breakfast & staid all day -

18 - Weather continues very fine, went
to Town, returned to Dinner -

10 hands mowing & Hay making -
