The Committee on the appeal of Isaac Williams brought in the following report Viz. —

"To the Yearly Meeting now sitting. —

"We the committee on the appeal of Isaac Williams have several "times met, and fully heard the Allegations of the Appellant, & the committee "appointed to attend; also examined the minutes & proceedings of the "Monthly & Quarterly Meeting in his case, & have spent much time "in the investigation of the Subject, which opened to our view a mourn- "ful prospect under the consideration of which we have been greatly ex- "ercised, apprehending much of the peace & Harmony of Friends in that "Quarter depends on a right determination". ——

"We feel ourselves strictly tied to concur with the proceed- "ings of the Monthly Meeting, & the Committee's who have been appointed "in that case, the minutes not being so clear, as we believe would have "been best —— We have also felt a tenderness towards the appellant "being desirous that nothing in him may be depressed, which ought to "be nourished; We nevertheless give it as our Judgment, that under "every consideration, it may be best to confirm the Judgment of the "Monthly & Quarterly Meetings so far as that the Appellant may "stand disowned by entering the Testimony on the Records of the "Monthly Meeting without further publication —— All which we submit "to the Yearly Meeting. ——
