"We the committee appointed to examine & settle the acc.ts "relative to the Pasture ground, & report what farther improvements appeared necessary, having met; on examination find that "the balance of the expenditures more than the produce of the lott "sold for; amounts to £31-13-7½ — & we are united in Judgment "that some further improvement is necessary, which we think may "be left under the care of the committee appointed for that service

"to make what further improvements they think proper, & to call on "the Treasurer of the Yearly meeting, for the expence thereof all which "we submit to the Yearly Meeting

The Committee to whom was referred the subject of publishing Testimonies, against such of our Members who accomplish their Marriages contrary to good order, also those concerned in Military services, as brought up in the reports from two of the Quarters, handed in the following report Viz.t ——

"To the Yearly Meeting now sitting

"We the Committee appointed to take into consideration the "subjects in which two of our Quarterly Meetings requested advice, "having met & weightily considered the subject do agree to report that "it is our united Judgment, that such Testimonies, or acknowledgements "may be dispensed with by entering them on the minutes only, and "as to that of Military services, on a weighty deliberation on that "subject. Altho' there appear'd to be a strait in some minds, yet "we do not apprehend that our Discipline requires the Publication "of such Testimonies all which we submit to the Yearly Meeting.
