The most material parts of the Minutes of last Yearly Meting were read over. —

The following Friends are appointed to examine the accounts of the committee who have had the improvement of the Pasture Lott under their care, & report the present state of the stock & improvements already made and what else they may think necessary relative thereto, to a future sitting of this Meting (Viz.) About the time adjourned to the Meeting Assembled. —

Baltimore Quarter informs that an uneasiness has appeard in the minds of some Friends on account of a practice in some metings of speedily disowning such who go out in their Marriages, apprehending themselves subjected to a conclusion of the Yearly Meting of Maryland in the Year 1784 — which being opened & fully spoken to, it appears to be the Judgment of this Meting that the Discipline now in use within the compass of this Yearly Meting is sufficiently explicit in such cases of disorderly conduct without having a retrospective View to any conclusion of

of the Yearly Meeting of Maryland prior to the new arrangement. —

Fairfax Quarter requested the advice of this Meeting, relative to dealing with & disowning members for administering oaths, it having been the uniform practice of Friends as a society to bear a testimony against taking or administering oaths, it appears clear & according to our Discipline that if any be found this Testimony they ought to be dealt with by the Monthly Meetings, & on refusing to be reclaimed, disowned as for other offences of a like nature. —

Then adjourned to the 9th hour tomorrow morning

10th Month 12th & 4th of the week. — About the time adjourned to, Friends again assembled, & the representatives being called, were present as at the former sittings. —

The committee appointed last year on the request of Redstone & Westland Monthly Meetings, made the following report Viz. —

"To the next Yearly Meeting to be held in Baltimore

"We of the committee appointed by our last Yearly Meeting "to visit the Monthly Metings of Westland & Redstone & to feel "after the situation of Friends there, have agreed to report that we "have visited those Metings, & on conferring together appear united "in Judgment that it will be best to grant Friends of those "Monthly Metings their request, of holding a Quarterly Meeting "in the manner they have proposed, which we submit to the "Yearly Meeting." —
