Which being twice read is concurred with, and that committee continued.

The meeting adjourns to the 9th hour to morrow morning 15th of the month and 6th of the week: near the time adjourned to friends assembled.

Warrington Quarterly meeting informs that Henry McMillan appeals from the judgment of Warrington monthly meeting, confirmed by that quarter, and they have appointed the following named friends to attend with the minutes and proceedings of those meetings in his case, viz: John Elmer, Benjamin Walker, Robert Vale, Jesse Hughes, William Farquhar, Anthony Poultney, Isaac Pearson, Finley McGrew, Daniel Rayn and Jonathan Jessop.

But the appellant, not attending, sent his reasons in writing, desiring friends may continue it till next year, it is therefore continued and Robert Vale is appointed to inform him thereof.

The Committee appointed to prepare epistles to the different yearly meetings with which this meeting corresponds, produced them which being read are approved, and directed to be transcribed, signed and forwarded.

We have had the acceptable company of several friends from some of the adjacent yearly meetings, and been favoured, through the several sittings of this meeting, with a measure of the overshadowing of Truths help under the influence of which we have been enabled to transact the affairs that have come before us with brotherly condescension, impressed with grateful acknowledgments for the favour conferred, the meeting adjourns, to meet again at the usual time and place next year if so favoured.

At a Yearly Meeting of Friends, held in Baltimore, for the Western Shore of Maryland, & the adjacent parts of Pennsylvania and Virginia, by adjournments from the 10th day of the 10th month to the 14th of the same inclusive 1802.
