

With the Substance whereof the entire Concurrence of the Meeting was expressed and the practice of distilling as therein mentioned was considered by this Meeting to include Fruit, - and every other production subjected to distillation for the same purpose. -

And Quarterly Meetings were desired to report their care in the promotion of this concern, to our next Yearly Meeting. -

With feelings of Gratitude to the gracious Fountain from which all Good proceeds, for the degree of Help which has been afforded, the Meeting concludes: - to meet again at the usual time next Year, if so permitted. -

A Yearly Meeting held in Baltimore for the Western Shore of Maryland &c. by adjournments from the 14th of the 10th month, to the 18th of the same inclusive 1811. -
