The committee appointed to prepare essays & Epistles to the several Yearly Meetings with which this corresponds, now produced them; they were read, corrected and directed to be transcribed and forwarded.

Having throughout the several sittings of this Yearly Meeting been favoured to transact the business which has engaged our deliberation, in much brotherly harmony and condescension; under a grateful sense, of the renewed extension of Divine favour, the meeting concluded. To meet again at the time appointed in the 10th month next, if so permitted.

At a Yearly Meeting held in Baltimore for the Western Shore of Maryland by adjournments from the 27th of the 10th month to the 31st of the same inclusive 1823.

By written reports from our several Quarterly Meetings it appeared that the following friends were representatives.
