

The following Report was received from the Standing Committee on Indian Concerns.

To the Yearly Meeting now sitting

The Committee on Indian Concerns inform that no occasion has occurred since the time of our last Yearly Meeting, to call forth any active Labour immediately on the part of this Committee.

By accounts received from our Brethren of Ohio and Indiana Yearly Meetings, who are associated with us in this concern, we perceive that their unremitting attention is still continued to the interesting object of our united solicitude: and, although many discouraging circumstances still obstruct their benevolent labours, yet there does not appear to be any abatement of their Zeal and Care.

The School at Waupachkonnetta has been suspended by the death of the Superintendent's wife: But the Indians were very anxious for its re-establishment; in which it is hoped they will be gratified as soon as circumstances will admit. Signed on behalf of the Committee, by P. E. Thomas, Clerk. 10 mo: 26, 1824.

The Committee to whom was referred, at a former sitting, the Proposal brought up from Baltimore Quarterly, relative to a change in our present Code of Discipline, produced the following Report; which was approved. The Clerk was directed to forward a copy thereof, and of this Minute to Baltimore Quarterly Meeting - viz:-

To the Yearly Meeting now sitting.

The Committee appointed to consider the propriety of altering the Discipline, in order to make outgoing in marriage a relinquishment of a right of membership, have met: and, after a free communication of sentiment, are of the judgment it is not expedient to make any alteration. Which we submit to the Meeting. Signed on behalf of all the Committee. Wm. Riley, John Williams, Joseph Priest, John Kinsey.
