

The Committee appointed at a former sitting to prepare Essays of Epistles, as way may open therefor, to the several yearly meetings with which we correspond, now produced one, embodying the minute on the exercises of this meeting, which was approved, and the Clerk was directed to have it transcribed, sign it on behalf of this meeting and forward it to the yearly meetings of New-York, Philadelphia, Geneva, Ohio, and Indiana respectively.

The Clerks were directed to have 2000 copies of Extracts from the minutes of our proceedings printed for distribution amongst our members, and Edward H. Stabler was requested to forward them as early as practicable to suitable friends in the vicinity of the meetings for which they are intended.

The Committee appointed at our last sitting for the purpose, produced the name of Aquilla Matthews to serve on the Standing Committee on the Pasture Lot, in place of James Hury who has removed beyond the limits of our yearly meeting, which name was satisfactory to the meeting, and the Friend was accordingly appointed to the service.

Having been favoured throughout the several sittings of the yearly meetings with comforting evidence of the presence of the Great Head of the Church under whose comforting and solemnizing influence, we have been enabled to transact the various concerns of society, in a spirit of much brotherly love and condescension, adjourned; to meet at the usual time next year, if so permitted.

Benjamin Hallowell Clerk
