

1858

The Clerk was directed to have 2000 copies of extracts from the Minutes of our proceedings printed for distribution among our members, and Edward H. Haller was requested to forward them as early as practicable to suitable Friends within the limits of the meetings for which they are intended.

The Committee appointed at a former sitting to prepare Essays of Epistles as may might open thereof to the several Yearly Meetings with which we correspond now produced one embodying the minutes on the exercises of this meeting which was approved, and the Clerk was directed to have it transcribed, sign it on behalf of this meeting and forward it to the Yearly meetings of New York Philadelphia Ohio Indiana and Tennessee respectively.

Having been favored through the several sittings of this meeting with a comfortable evidence of divine favor enabling us in great harmony and concordance to transact the important concerns of Society, a favor for which our hearts have been filled with gratitude to the Father of all our sure mercies. Adjourned to meet at the usual time next year if so permitted.

Benjamin Hallowell
Clerk
