

The following report from the Standing Committee on the Fair Hill Boarding School property was received and read and was satisfactory viz:

To the Yearly Meeting now sitting:

The Standing Committee having in charge the Fair Hill Boarding School property report: That although the advantages of the Institution are as great as at any time during the period they have had it in charge, yet circumstances familiar to all, towards the close of the last term and continuing now, at the commencement of the present, have caused the number of pupils to be very much diminished.

The farm is in a regular course of improvement, and the buildings are kept in a good state of repair.

One of the Yearly Meeting Scholarships is filled and the other will be so soon as an increased number of pupils, in the opinion of the Committee, will justify it.

Signed on behalf of the Committee by
Richard T Bentley Clk.

The Committee appointed last year to visit the meetings constituting this Yearly Meeting made the following report, which was read, and was satisfactory. The committee was continued, and the following named Friends added thereto viz:

and James Baynes.

To Baltimore Yearly Meeting

The committee appointed last year to visit, as way might open therefor, the different meetings constituting this Yearly Meeting, report: That in accordance with their appointment, some of their number have visited all the meetings composing Baltimore, Harrington, Nottingham and Fairfax Quarterly Meetings

excepting those in Iowa; and some of these meetings, on more than one occasion, by different members of the committee. They also held some appointed meetings in neighborhoods where but few Friends resided. The Committee felt encouraged and strengthened by the labor in which they were thus engaged. The minds of some of the committee have been turned in near love and sympathy towards the Friends of Centre Quarterly Meetings, as well as with continued interest and concern towards those in some parts that have been visited, but way has not yet opened for any further action under our appointment.
