The Report was adopted and approved by the Yearly Meeting, and the proceedings and labors of the Committee were united with and sanctioned. The Committee was released.

The Yearly Meeting takes the occasion to express its deliberate and solemn judgment for the relief of any who may entertain doubts upon the subject, that the power of the Yearly Meeting to authorize any portion of its body, which it deems competent to the engagement to appoint and hold Meetings in the performance of the duties and service assigned them by the Yearly Meeting is inherent and unquestionable.

The Yearly Meeting deems it due to the occasion in great tenderness towards all concerned, further to express its deliberate and solemn judgment, that any preparative, or other meeting of Ministers and Elders, in opposing the direct action of the Yearly Meeting, or in interfering with its proceedings in any way, or in regarding those of its members who are obeying the requisitions of the Yearly Meeting, and acting under its appointment as thereby being deficient in their duty, or in the support of our Discipline, is acting out of its province, and in a way which is subversive of harmony and good order, and in violation of that clear, salutary and wise provision of our Discipline, which says - "None of the said meetings of Ministers and Elders are in any wise, to interfere with the business of a Meeting for Discipline."

The remainder of the Books that were placed in the charge of this Committee for distribution are directed to be put in the hands of the Book Committee of the Yearly Meeting.

The Minutes of the proceedings of the Yearly Meeting last year were read.

The Committee appointed at a former sitting to prepare Essays of Epistles to the several yearly meetings with which we correspond, now produced one embodying the minute of the Exercises of this meeting, which was approved, and the Clerk was directed to transcribe it, sign it on behalf of this meeting, and forward it to the Yearly Meetings of Philadelphia, New York, Genesee, Ohio and Indiana respectively.

The Clerks were directed to have two thousand copies of Extracts from the proceedings of this meeting, printed for distribution among our members, and our Treasurer was requested to have the respective portions of them, and of the Extracts of Womens meeting, forwarded by mail, or otherwise, as early as practicable, to some suitable place, and near the place, at which each of our monthly meetings is held.

Having been favored through the several sittings of this Yearly Meeting, with a comforting evidence of the presence of the Great Head of the Church, under whose preserving Spirit we have been enabled to transact the important business that has come before us, in much brotherly love and condescension, for which favor our hearts are tendered in gratitude to the Giver of all Good, the Meeting adjourned to meet at the usual time next year, if so permitted.
