

1864<sup>th</sup> the Yearly Meeting now sitting:

The Standing Committee in Charge of Fair Hill Boarding School properly report that the School at the last term numbered about thirty six boarders and several day scholars.

The buildings and fences are kept in a satisfactory condition, and the progress of the pupils manifested in the examination that was attended by several of our members, gave evidence of the care and attention that had been bestowed by the teachers.

The yearly meeting scholarship for the present term has been filled.

Signed on behalf of the Committee by  
Richard J. Bentley

The minutes of the proceedings of the Meeting for Sufferings for the past year were read, and the proceedings of that Meeting approved.

The following Report from the Committee appointed on the application from Warrington Quarterly in 1861 was received and read. The Committee was released.

At the Yearly Meeting now sitting:

The Committee continued last year in relation to the subject brought up in 1861 from Warrington Quarterly Meeting report -

That during the last summer, some of their members visited that Quarterly Meeting, and all its constituent Meetings, to a good degree of satisfaction to themselves, and they trust to those visited, yet they are constrained to acknowledge, that in some of the branches, there appeared to be in many of the members, a want of the proper feeling and concern to keep up those meetings to their own best interest and that of society.
