The Clerk was directed to furnish that Meeting with a copy of this Minute.

To the Yearly Meeting now sitting:

The Committee on the Pasture Lot report: That provision has been made for taking care of the horses of Friends that have been placed in their charge.

The income from the property after paying the taxes and other expenses is one hundred and thirty two and ninety cents which is subject to the order of the Yearly Meeting.

The opinion expressed several years ago, in the report then made, that in our judgement the property should be sold, has been strengthened and confirmed and we do not think a longer delay would be beneficial.
