

1880 bers. The Treasurer is directed to have them forwarded by Express, or otherwise, to the correspondents of our Monthly Meetings.

33 During the several sittings of this Meeting, we have felt the sweet incomes of the Father's love to prevail amongst us, cementing our hearts in brotherly affection, and enabling us to transact the important concerns that have claimed our attention in much harmony and condescension, for which favor our hearts are tendered in gratitude to the Great Head of the Church. And now, with desires for the welfare and preservation of each other, we conclude to meet at the usual time next year, if so permitted.
