

1881 33 The Clerks were directed to have 2200 copies of the Extracts from the proceedings of this meeting, also of those of Women's Branch, together with the Epistles received at this time from other Yearly Meetings, and the Memorial read on second-day, printed for distribution among our members. The Treasurer is directed to have them forwarded by express or otherwise, to the correspondents of our Monthly Meetings.

34 A request from Women's Branch, that our Meeting may close with open shutters, was acceded to.

35 With thankful hearts to the Giver of every good and perfect gift, whose presence and abounding love we have been permitted to enjoy during the several sittings of this, our annual gathering, enabling us to transact the important concerns that have claimed our attention; in much unity and brotherly condescension we now, with fervent desires that all may be preserved and that brotherly love may continue among us, conclude, to meet at the usual time, next year, if consistent with the Divine will.
