 ham.

Thankful to the Giver of all good
 for his abounding love which we have
 felt to be near and around us during
 the several sittings of this Meeting, under
 which blessed influence we have been favored
 to transact the important concerns of
 Society in much unity, with love and
 forbearance one to another; with a desire
 that brotherly love may continue and
 increase amongst us, we now adjourn,
 to meet at the usual time next year, if
 consistent with the Divine will.
