The Meeting now directs that the sum of fourteen hundred dollars, as proposed, be raised for use during the ensuing year, in the usual manner. Our Quarterly meetings are accordingly directed to forward to the Treasurer of this Meeting their respective quotas of the amount ordered to be raised, as soon as may be found practicable.

41 It is now ordered that the members of the Representative Committee be convened for organization and for transaction of matters of business that may properly come before it, at 2 o'clock this afternoon.

42 The Clerks are hereby directed to have two thousand copies of the extracts from the proceedings of this Branch, together with those of Women's Meeting. Printing of the Memorials read at this time, the Epistles received from other Yearly Meetings, extracts from the Minutes of the Representative Committee and such other pertinent matter connected with the proceedings of this Yearly Meeting, as the Committee may decide, printed for the use of our members.

The Treasurer is directed to forward these to the correspondents of our Monthly Meetings, as heretofore, as soon as the same are prepared for distribution, and to pay all cost of printing and forwarding the same, after the bills therefor have been approved by the Committee.

43 The Clerks stated that there was no further business before the Meeting and Women's Branch informed that they had nothing further to communicate.

To those Friends from other Yearly Meetings who are with us without Minutes we extend a cordial greeting, as we realize that their presence and Gospel labors have been truly acceptable and profitable to us.

45 We have been favored, as a deliberative body to transact the business appertaining to our Religious Society with harmony and brotherly love, for which we feel constrained to give thanks to the Ruler and Head of all rightly ordered assemblies; and do now adjourn, to be convened in a like capacity at the usual time next year, if the same meet with the Divine sanction.
