Elisha H. Walker, Treasurer.

The report was read, and adopted and Elisha H. Walker named therein for Treasurer, is accordingly re-appointed for the ensuing year.

The Yearly Meeting hereby orders, that the sum of Sixteen Hundred Dollars be levied upon our Members, through the Quarterly Meetings, in the usual manner, for the requirements of the Yearly Meeting, the ensuing year.

Our Quarterly Meetings are hereby directed to forward to our Treasurer, their quotas, respectively, of the sum ordered to be raised, as aforesaid, at as early a date as may be practicable.

Our Quarterly Meetings are also directed to give information in their Annual Reports, next year, whether their quotas have been paid in full or otherwise.

36 Appropriation for Schools in the South.

A Friend introduced the subject of the Schofield and Laing Industrial Schools for colored children and youth, at Aiken and Mt. Pleasant, South Carolina, and stated that, although our Committee on Philanthropic Labor had aided them during the year and our individual members were sending them supplies and money from time to time, he thought the Yearly Meeting should make an appropriation for this purpose, as the recent storms on the coast had added to the needs of the Schools.

After consideration of the proposition, it was ordered that the sum of one hundred dollars be appropriated to these Schools, to be sent to their proper representatives by the Committee on Philanthropic Labor and to be apportioned between the Schools as the Committee may direct.
