Charles E. Blacklow,
 Dear Sir:-

I am calling the attention of the Treasurers of the
 various Districts to the action of the recent Yearly Meeting in
 increasing the amount to be raised this year to \$2400.

The percentage apportionment is not changed. Baltimore
 Yearly Meeting is to raise 25% of the above amount, or \$600.
 Baltimore District's share is 10% of the latter amount, or
 \$60.00, of which the Western District pays 5%, and the Eastern
 District 1%. The quota from the Western District of Baltimore
 Yearly Meeting this year is therefore \$30.00. I will be glad to
 receive the quota at as early a date as practicable.

Truly,

I am sending this a formal
 notice along with the rest.

R. N. Walker
 Treasurer.
