Answer to Querd

First Query.

All our meetings for worship and discipline
have been held and attended by most of our
members. Friends avoid unbecoming behavior
in therein. The hour of meeting is observed,
with but few exceptions. Our first-day school
continued to be a strength to our meeting
and a source of interest to those engaged
in this foundation work for the uplifting
of our society and benefiting the rising generation.

Second Query.

Friends maintain love towards each other
becoming our Christian profession. Tale-bearing
and detraction are discouraged. No differences
known to exist among our members.
