After due consideration it was thought proper
that our meeting should assemble promptly at 11.00
which is given to grant this change in the time of
holding the school.

Kirk Brown, informed that he had received a
notice that the Inspector of Buildings had con-
demned a portion of the wall enclosing the grounds
of this property on Fayette Street side of the lot.

Kirk Brown, W. F. Mitchell, Thomas O. Matthews,
and Amos Robinson were appointed a committee
to attend to the securing of the wall, as directed by
the Inspector of Buildings, and the Treasurer was
directed to pay the expenses thereof, and report to
a future meeting.

Answered to First, Second and Smith Query
Answered to First Query.

All our meetings have been duly attended. Friends
maintain a present and orderly deportment therein,
and most of our members are punctual in at-
tending at the hour appointed.

Answered to Second Query.
He believes that Friends maintain the forward

talking and discussion are discouraged. No dis-
cussion are known to exist among our members.
Answered to Seventh Query.

Friends are careful to live within their means
and avoid involving themselves in business beyond
their ability to manage. As far as known, they are
just in their dealings, and mostly punctual
in complying with their promises, and prompt
in fulfilling their obligations, and when reason-
able grounds of fear in those respects are given
due care is extended.

Then adjourned
