

At the Preparative Meeting of
the Eastern District held 2nd Mo. 1905

One Christian present.
Kirk Brown on behalf of the representation
our late monthly meeting reported that one attended.
Our Treasurer informed he had made a very
careful calculation of the income and ex-
penses of our meeting for this year
and made a statement that it will be
impossible to pay the monthly meeting
will have to make on its respective Pre-
parative meeting.

That the present allotment of 27 per cent
was arranged many years ago when the
membership was at least ten times as
great as at present.

That our meeting had had but little or no
money for to meet expenses in purchasing the
primary first day school and expenses for several
years. owing to increased expenses on immovable
property and the excessive demands of the monthly meeting.
After a careful consideration of this entire matter
this meeting requests the monthly meeting to
reduce our allotments made by said meeting

from 27 per cent of monthly meeting demands
to 15 per cent of such allotments.

This amount is a far greater portion than
the small per cent of the membership that
meeting constitutes of the monthly meeting
should be justice demand.

Bertie R. Mitchison and Thos. O. Knatchbull
were appointed our representatives to attend
the Eastern District meeting.

They were requested to report their attendance
then adjourned.
