

We have been favored with
the company of an unusual
number of friends from
other parts of the Lord's
Vineyard, causing us
to feel deep gratitude
unto our Heavenly Father
for this manifestation of
His love. Together we have
been permitted to drink
of that living water that
can alone sustain the
soul. May this blessing,
resting upon us, be
received with thankful
hearts unto the loving
Father.

Then adjourned to meet
at the usual time
next year if consistent
with the Divine Will.

Wm. H. Munn, Clerk.
