

A Testimony from Warrington Monthly Meeting concerning our friend Peter Cleaver.

He was the son of Peter & Elizabeth Cleaver, born the 20th of the 12th month 1730¹ in Philadelphia County, Pennsylvania, and in the early part of his life removed into York County within the limits of this Meeting.

In 1759 he was appointed to the Station of an Elder, in which he was truly servicable.

He was several times appointed, with other friends in the weighty service of visiting families, and we believe it due to his memory to say, that he was a valuable and useful member of our Meeting, and that his survivors sensibly feel the loss of so servicable a friend.

He departed this Life the 12th of the 8th

month 1795. and, attended by a large number of Friends and Neighbours, was decently interred in Friends burying ground at Warrington, aged upwards of 64 years.
