Dear Sir

I have quite a headache this evening & regret I shall not be present at the meeting of the Com^e.

The religious work of the Com^e, it strikes me, can only be done by personal visits - preliminary to that it would, I think, be well to issue a circular note explaining the purpose of the Com^e, only those present at the yearly Mtg know the object of the appointment.

The educational work of the Com^e can be greatly aided by answers to a few practical queries which should go with the circular note.
