

Some of this character.

1. How many members belong to your meeting.
2. How many families & parts of families
3. How many children between the ages of 6 & 16 years
4. How many regular attenders ^{of your meeting} have you who are not members
5. How many children have these attenders.
6. How are the children within your limits receiving education -
- at Friends' schools
- " at Public Schools
- " at Private or home schools
- " not at school the past year.
7. Could a Friends day school be sustained in your neighborhood.
8. What is the average attendance of your first day meeting in fair weather.

I would think well also of a series of practical questions on first day schools & Bible Classes.

We should get at the needs of our meetings as soon as possible that the Com^e may lose no time; & the request should be made for prompt replies to the Circular.

I send these rough notes to give thee my line of thought as a member of the Com^e. I am sure you will come to wise conclusions & I will heartily concur in whatever you do.
