To the Yearly Meeting

The committee appointed last year to visit the Subordinate Meetings report, that no way opened for service except within the limits of the half year's Meeting of Virginia. A part of the committee in 5 mo last were at the half year's Meeting held at Chick Creek which was largely attended on first day morning by Friends and those not in membership with us and it was felt to be a time of favor. We also attended both of the Monthly Meetings visited some of

the families as way opened and gave such advice and assistance as we felt able to impart believing we were favored to enter into near sympathy with our dear Friends who are very much straggled in some places and to encourage them to look unto the Head of the Church who alone is able to strengthen and support them in all their trials.

We are united in the judgment that it would be right to continue the committee or appoint another to extend care to the Subordinate Meetings as way may open for which we submit to the Meeting.
