

449 Indiana Yearly Meeting last year appointed a Committee to investigate thoroughly into the condition of the School. They made a very full and interesting report, which we here with annex - also their report on the title of the land.

Owing to the peculiar position of our Yearly Meeting at this at this time, from the civil war within our limits, we do not open with the Committee to propose to our Yearly Meeting a contribution to the School this year, but that we be prepared to pay at any time our proportion of the present indebtedness, and whatever may be necessary to purchase the land.

Francis T King
Clerk of the Committee on Indian Concerns

Then adjourned to 3 O'clock to morrow afternoon

24th of the month and 5th of the week
The meeting assembled pursuant to adjournment.

An address from London Yearly Meeting, and a minute from Dublin Yearly Meeting were read, expressive of deep concern & sympathy for us in the afflicting dispensation which has befallen our beloved country. These evidences of the Christian remembrance and brotherly interest of our distant brethren in this day of trial have been most comforting and strengthening to us. The address was printed for circulation among our members by our Meeting for Sufferings in the 6th month last.

The Committee to prepare endorsements to be placed on the Minutes of Friends in attendance from other Yearly Meetings produced them, they were read, and approved, and our clerk was directed to enclose the Minutes accordingly.

The Committee produced epistles to our brethren of London, Dublin, New England, New York, North Carolina, Ohio, Indiana and Boston Yearly Meetings. They were read and approved and our Clerk was directed to transcribe, sign and forward them.

The business of the Yearly Meeting being now brought to a close, we separate from each other under a covering of that precious feeling which has been spread over us from sitting to sitting, concluding to meet together at the usual time and place next year, "if the Lord will."
