

17. The following report from the Finance Committee was read and approved, and our Subordinate Meetings were directed to issue their respective Notices of \$4.00, and pay the amounts to Isaac Brooks Jr., Treasurer.

To the Yearly Meeting

The committee appointed to examine and settle the treasurer's account report that they have attended to that service and find the accounts correct. There is at present in the hands of the treasurer the sum of \$413.34, and, when all the quotas agreed upon last year are paid in, there will be an additional sum of \$300, making \$713.34 for the current expenses. They recommend that the sum of \$400 be raised for the ensuing year.

On behalf of the committee.
