The Clerk of the Representative Meeting informed the Meeting that a vacancy had occurred in the representation in the Representative Meeting occasioned by the death of Jonathan Hemmick and that John S. Scott, Thomas Meloy, Lechaiah McPaul, John Patton and Richard Wells were appointed to confer together and nominate two Friends to fill these vacancies.

12. The following report from the Committee on Foreign Missions was read. The Committee was in favor, and the Treasurer was directed to pay the

Balance of funds in his possession to the Treasurer of the
Committee on Home Missions

We continue to feel deep interest in this concern, and trust that it may not be lost sight of by our members; and we regret that the way has not been at present found to engage practically in it. Our Boston Friends in a gentle communication to our Meeting expressed their great interest in the work.

In Baltimore, each meeting.

The Committee on Missions have made no collection of funds for the use of Foreign Missions during the year past, and therefore have no extended report to make. The Treasurer reports an unexpended balance in his hands of two dollars and sixty-four cents (\$2.64).

He would suggest that the Committee be asked for further service.

By direction of the Committee

John Nicholson, Secretary.
