

clothing and other articles valued at about \$19.00 for the children in Rachel Metcalf's orphanage in India, has also been forwarded. The Mission Bands in Ashton and Black Creek neighborhoods contributed all the things for this box, as well as some things for the Syrian box.

Japan. - A request was received through our Corresponding Secretary, from her sister Mary C. Whitney, of Tokio, Japan, that we would undertake the support of a travelling Secretary to aid in the work of the Japanese Scripture Union. This Union is an effort to promote the regular study of the Bible amongst the Japanese. It is unsectarian in its character and already has over 4000 members who are resident in more than 200 different localities. The proposition is that we should pay a small salary and the travelling expenses of one of the native Christians, as travelling Secretary of the Union. The amount asked for is \$300 per annum, the Secretary to be under the care of M. C. Whitney, who promises to send us regular reports of his work. Finding by an appeal to Friends throughout the Yearly Meeting that considerable is manifested, the Committee has felt itself authorized in promising \$300.00 to this object for the coming year. We have felt cheered by the increased interest of our members in the foreign mission cause, and we trust that the Yearly Meeting will see its way to continue its support of the work.

Signed in behalf of the Committee
John C. Thomas, Chairman

Financial Report of Foreign Mission Association 11 month 9th 1886. To Balance on last account

\$354.40
